Protecting Dialysis Patients: Practical Vaccination Strategies to Improve Outcomes

Thursday, September 24 • 3:00 – 3:45 pm EST

This session will review key updates and considerations for Hepatitis B, pneumococcal, and other recommended vaccinations. The call will also feature a facility manager who will share proven best practices for improving vaccination rates.

Speakers

Ramin Sam, MD, is a clinical professor at the University of California, San Francisco, and serves as Medical Director of the dialysis unit at Zuckerberg San Francisco General Hospital and a Fresenius dialysis clinic in San Francisco. He is an editorial board member of the American Journal of Nephrology and serves as Chair of the Medical Advisory Council of the Forum of ESRD Networks.

Florence Casabuena, BSN, RN is an experienced dialysis nurse leader and Facility Administrator with a passion for improving patient outcomes through collaboration, innovation, and compassionate care. Florence is committed to sharing best practices, inspiring others through leadership, and making a lasting impact on the patients and communities she serves.
